[India and Southeast Asia: Towards Security Convergence ...](#)

There is a growing dialogue between India and Southeast Asia. From a marginal relationship during the Cold War days to the participation of India at the East Asia summit in December 2005 has been a long journey.

Security Cooperation in South Asia - swp-berlin.org security cooperation is probably the change in India's South Asia policy since the 1990s. India has been willing to make unilateral concessions in bilateral conflicts and in economic cooperation. Today, India pursues its security interests through cooperation with its neighbors and no longer by interfering in their domestic affairs. A related factor is that most governments in South Southeast Asia-India Defence Relations in the Changing ...

Southeast Asia-India defence cooperation is the focus of this study. However, first, it will be useful to contextualise relations between Southeast Asia and India by examining the current status of

S-E Asia still important to India's development and security

But the absence should not lead to hasty conclusions: South-east Asia remains important for India's economic development and security, even if it is not the first order of priority.

What is India's foreign policy towards Southeast Asian ...

India has developed multilateral organisations such as the Mekong-Ganga Cooperation and BIMSTEC, forging extensive cooperation on environmental, economic development, security and strategic affairs, permitting the growth of influence beyond South Asia and without the tense and obstructive presence of Pakistan and China that has stalled its efforts in the South Asian Association for Regional Cooperation. India became a sectoral dialogue partner with ASEAN in 1992, in 1995 was given an advisory

What is BIMSTEC and why is it important for India? | india ...

An India-Myanmar-Thailand highway is one of the key projects that figures in a big way in the government's Act East (earlier Look East) policy. With the India-Pakistan bickering coming in way of
