Since the appearance of The Bay Psalm Book in 1640, music has served as a defining factor for American religious experience. Music is crucial to the maintenance of the belief systems that account for multiculturalism in American denominationalism. The sacred musics of North America symbolize the unifying factors of worship shaping the

The American Religious Experience is an accessible and unique rendition of American religious history. Focusing on Christianity in America, it also integrates the inter-religious, inter-denominational and multi-cultural dimensions of American religious history. The book unfolds consistent tensions between dominant streams of American Christianity and groups relegated to the periphery - groups

Music: Music and Religion | Encyclopedia.com

MUSIC: MUSIC AND RELIGION Music and religion are closely linked in relationships as complex, diverse, and difficult to define as either term in itself. Religious believers have heard music as the voices of gods and the cacophony of devils, praised it as the purest form of spirituality, and condemned it as the ultimate in sensual depravity; with

Music As Religious Experience: The Neuroscience Of A Song

Although it often seems like this generation is a predominately secular one, Princeton sociologist Robert Wuthnow points out in his new book, *All in Sync*, that participation in American religion actually remained about the same throughout the twentieth century. There are of course obvious reasons for this religious status quo: people tend to follow similar life paths as their parents, religion

Native American Religion Legends of America

In 1920, Clark Wissler, in his book *North American Indians Of The Plains*, briefly described some of the religious concepts of the Plains tribes. (Excerpt is edited and not verbatim.) (Excerpt is edited and not verbatim.)
